

BRINGING THE GAMES HOME

Dakar 2026 can inspire a generation.

A community legacy pathway to carry the spirit of the Youth Olympic Games beyond official venues and into the lives of young people across Senegal.

"Sport has the power to change the world. It has the power to inspire. It has the power to unite people."

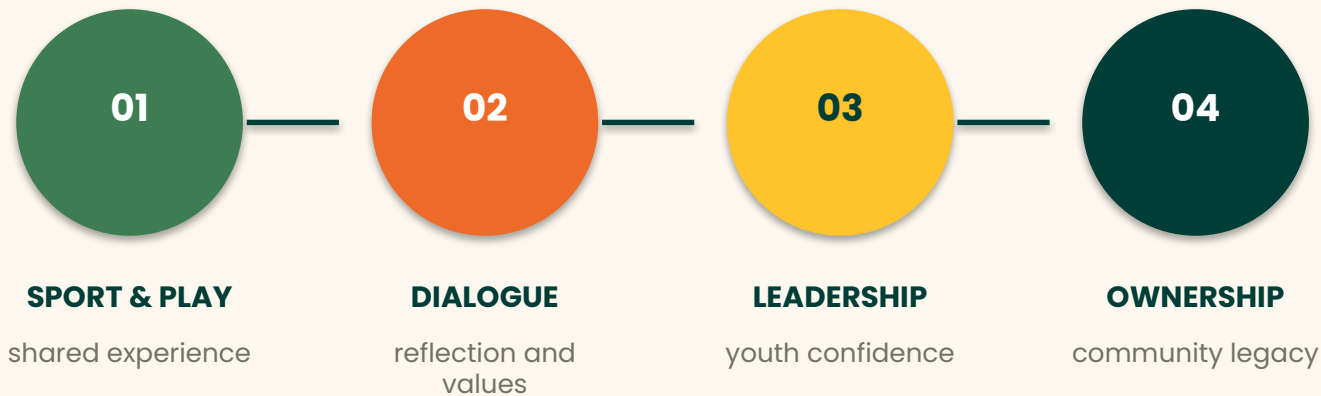

— Nelson Mandela

THE TOSTAN MODEL

Sport is the entry point. Ownership is the legacy.

The model is simple: use sport and play to open dialogue, grow leadership and build community ownership around the values of Dakar 2026.

"Just 10 minutes of working out daily can change the lives of Senegalese women."
— **Gnima Faye**
